The Quilters' Guild of NSW Inc is planning to introduce a groups page on their Guild website in the 2010/2011 membership year. This is consistent with one of the Guild's key objects – to bring quilters together and encourage the establishment of quilt groups.

Our groups page will contain contact details of groups that have **elected** to be listed on this page and are **financial members** of the Guild.

Details on this page will include the following:

- a. Group name
- b. Website (if applicable)
- c. Location
- d. Contact person
- e. Contact phone number and/or contact email address.

If you elect to be listed on our groups page, your details will be added to our groups page and maintained each year as your membership is renewed **or** as your contact details change and are notified to the Guild.

If your group membership lapses your group details will be removed from our groups page.

Please note that this entirely optional.

If your group is interested in being included on our groups page, **please** fill out the details on the form below and return to our office.
